

# 2019 Radiology Cruise Seminar

Hey everyone just a recap on some of the events and great times from the Radiology Cruise Seminar that was Sept 22-29. It was a 7 day cruise to Key West Florida and Nassau Bahamas. There were three sea day in which the conference part of the cruise was held in the beautiful Ivory Lounge on the Carnival Glory. Special thanks to Carnival for setting up the room and equipment for the conference and giving us such a comfortable room in which to hold the conference.

There were eighty people booked into the group with forty technologist. We had several nurses from Nebraska book with us . Thanks Chris Conley and his group for joining us. Hope to see you in the class some next time. As well as some nurses from Morrilton and lots of family and friends who came with their technologist to have a good time.

There were several returning technologist from last year, ( good to have you guys back) as well as many new faces and now new friends. There was a cocktail party and scavenger hunt. Ethan Shoemaker and his group were the winners. Thanks to Johnny Campbell , Ginny and Dr. Fravel for judging for us.

There were really good first time with us speakers and some returning from last year. Tracy Parent : Financials in Imaging and Imaging Back to Basics. Ethan Shoemaker: Radiation Safety & Role of the Interventional Technologist. Cheryl DuBose: Continuing Qualifications Requirements (CQR) ARRT. Pamela Fulmer: What Does the Pathology Report Say? And Mammography in Saudi Arabia. Tracy White: Arsenic, Mustard Gas, and Tanning Beds– What do these have in Common? Dr. Jonathan Fravel: Lung Cancer Imaging. And Interstitial Lung Disease.

Luke Hall: Basic Introduction to Safety & Situational Awareness . And Snapshot of the Opioid Crisis and How it Impacts Healthcare Workers. Peggy Edwards and Ashley Sommers: Bullying in the Workplace, written by John McHargue who was unable to attend due to personal issues. Diane Hutton filled in last minute with Advocacy: It Works for Everyone and Code Blue: Radiology.

Next years Conference will be a five day to Cozumel and Progreso Mexico. October 31-Nov 5. Bring your costumes. Working on Speakers and number of hours now.. Will be between 10-12. If you cant wait that long to cruise we are doing a spring break cruise and working on trying to get some more seminars going. Miss All You Guys!!.
